2006 Summer Showcase

Five Years of Dance at NCDI “The Best of the Best”

North Carolina Dance Institute was founded in February 2001. During the past five years, thousands of students have danced in our studios and our dancers have performed at numerous festivals and special events. The performance tonight is a celebration of some of our favorite pieces and a few new ones. Producing our summer shows is always a great adventure. This summer was a walk down memory lane. It was so much fun to watch old videos and DVD's of past performances. Now many of the dancers are growing up and excelling in this art form. The Summer Showcase was created with the exceptional dancers you see tonight in just ten days. Some of the guest artists who are dancing with us this evening are former students who are now attending North Carolina School of the Arts. It's nice to have them home for the summer. For all of the dancers and assistants who worked on this showcase, thank you for your hard work and your smiles. We've had a great time.

Tonight's performance is dedicated to the memory of Sharon Ardolino, our friend and fellow dance teacher, who touched the lives of so many children and adults. A Fall Semester Scholarship in honor of Sharon has been awarded to Nicole Cesari. Sharon instilled a love for dance in Nicole at a young age, and Nicole has been an active dancer, teachers' assistant and committed student ever since.

We are fortunate that our studio is supported by such a wonderful community of parents as we strive to develop a strong foundation in dance education. We have enjoyed the past five years seeing the growth of NCDI and our students. As our senior dancers graduate and go off into the world, we move our eyes to the younger ones. We have such talented, vibrant young dancers! Who knows what the next five years hold? Thank you for your dedication to your children's arts education and your support of NCDI. We hope you enjoy the show!
